A very quiet month by all clubs, I am sure the weather played a big part in that.

It looks as though the Government is going to back down for now on the lock out zones so well done to all involved. This will not be the end of this I am certain. They are always looking to win support from the minority groups to sure up votes, generally at some else's expense. We all must remain vigilant and vocal about keeping the right to enjoy our sport and recreation.

Shellharbour are hosting their Mako Masters tournament on the 29th and 30th of this month so make sure all your shark boats are made aware so they can get along to support and maybe win some great prizes.

Stay safe and tight lines
Steve
