The Catch - October 2021

Celebration of our 2020-2021 Angling Year Achievements

The pandemic has certainly played havoc with our celebration of members' angling achievements for the past year. Three separate attempts at scheduling a function have been thwarted by the pandemic and health orders.

We have been very lucky that in our little part of Australia we have not had our fishing pursuits interrupted – too much. The incredible breadth of members who have achieved trophy fish throughout the year has demonstrated this.

Congratulations go to all members who submitted fish to our Trophy Board.

Below we list all our prize and non Championship trophy winners for the past angling year. We will keep confidential the major club Champion perpetual trophy winners for our Xmas Party on 11 December at the Lakeview Hotel. A public celebration of their achievements is warranted, even if it delays the awards.

Lucky winners are invited to come along on a Friday Night and receive their prizes / trophies. If we don't hear from you over next few months we will chase you up, send by mail or catch you at the Xmas Party.

Species Winners

The following table lists our Species Winners for the 2020_2021 Angling Year. Anglers are in alphabetical order with the species they scored 1st, 2nd or 3rd place for the year. New club length records are noted with the date of capture.

This year prizes were set at:

For Adults, 3rd place species angler received \$10, 2nd place angler received \$20 and 1st place angler received \$30.

For Juniors, 3rd place species angler received \$5, 2nd place angler received \$10 and 1st place angler received \$15.

For Small Fry, 3rd place species angler received \$5, 2nd place angler received \$10 and 1st place angler received \$15.

The adult prizes are sponsored by the Lakeview Hotel and the junior prizes are sponsored by Bianchini Gelati in Pambula Village.

Throughout the year all our junior trophies are sponsored by Twofold Carpentry and Home Maintenance.

An opportunity to fish as a club, help one another be successful with a little reward at the end. These Events will not replace our Competitions / Tournaments, but rather compliment them.

We congratulate the following members for succeeding in the Events held during our 2020-2021 Angling Year.

Thanks

This celebration is not complete without an acknowledgement of the great work our Club Recorder Keryn Wilkins has undertaken through out the year.

Keryn was assisted by Peter Lawler in keeping our Trophy Board at the Clubrooms up to date and also reconciling all the results.

Also, we are slowly getting our Website to be more user friendly for both members and visitors. The work Blain Sharman has undertaken is fantastic.

Huge thanks to Keryn, Peter and Blain.

Again, we thank our Presentation and Trophy Sponsors.

The Lakeview, Bianchini Gelati (Dana and Dylan Smith) and Twofold Carpentry (Ryan Walker and Aimee Antill).

Let's go out of way to support these guys every chance we get.

Cheers
Peter Haar
