INGENIA HOLIDAYS Ocean and Lake Caravan Park Wallaga Lake Road, Bermagui

This year we will venture to the Ingenia Ocean Lake Caravan Park on Wallaga Lake. The park has great BBQ facilities, its own launching ramp, jetty and shore side boat mooring.

We look forward to a weekend with great fishing and an enjoyable time for all! This event is open to all and no entry for the fishing competition is required. On Saturday evening we look forward to socialising (in compliance with Health Orders) awarding prizes for the longest Dusky Flathead and more. This leaves Sunday for more fishing if desired, a relaxing day for some and farewell to others.

Merrily Bell & Peter Lawler 64953256 are this years trip organisers.
Please contact Peter if you have any queries.

Social and Catering

Unfortunately, health restrictions will impose limitations on what we are permitted to do.

Based on the NSW Governments current projections it is reasonable to anticipate that outside gatherings will be limited to a group of 20 persons max of fully vaxxed over 16 year olds, so unfortunately our traditional group cook up can not be held for the second year running.

Sorry, but members will need to organise their own catering for the weekend.

Please note the park may also impose additional restrictions that we will comply with.
